

Indian Science Congress Association

ISCA YOUNG SCIENTIST AWARD

This is to certify that *V. K. Singh*
participated in the 86th Indian Science Congress
held at Channai during January 3-7, 1999

He/She is a recipient of
ISCA Young Scientists' Award
by the Indian Science Congress Association
for the Section of *Computer Sciences*

Manju Sharma
(*Manju Sharma*)
General President

January, 7, 1999

Personalia

Dr. M. L. Goyal has been chosen by the American Biological Institute for distinguished standing and has been conferred with the prestigious honorary appointment to the Research Board of Advisors 1999. He has also been elected by the Indian Science Congress Association as President of the section of Computer Sciences for 1999-2000.

CSI takes great pleasure in congratulating Dr. Goyal on these appointments.

Dr. Goyal is a Fellow and Past President of the CSI and been an active member since the year 1973. He has served the Society in various capacities both at the Chapter and National levels. He was a member of the Executive Committee of CSI for 13 years and president of CSI during 1994-96.

Mr. V. K. Singh, Scientist, National Remote Sensing Agency, Hyderabad and an active member of CSI Hyderabad Chapter has recently been awarded the 'ISCA Young Scientists Award' in Computer Science section, by the Indian Science Congress Association. The award was presented for his work 'A Highly Efficient Low Bit Rate Coder-Decoder for Image Compression'.

His major contributions have been in the areas of Software Engineering and Image Data Compression. He has to his credit 30 papers published in various journals and conference proceedings.

CSI congratulates Mr. V. K. Singh for receiving the award.

Dr. Onkarnath, a member of CSI has recently been awarded the 'Best Citizen of India Award' for the year 1999 by International Publishing House, New Delhi in recognition of his excellent performance as a distinguished computer professional and his pioneer research work in astrophysics. He is currently working as Systems Analyst with Central Bank of India, Zonal Office, Nagpur. He has to his credit about 50 Research Papers on astrophysical interest published in reputed International scientific journals.

CSI congratulates Dr. Nath for receiving the award.

Military College of Electronics and Mechanical Engineering, Secunderabad, an Institution Member of CSI, has recently been conferred the Golden Peacock National Quality Award for Excellence in Training and Research & Development by Smt. Najma Heptulla, Dy. Speaker of Rajya Sabha.

M C E M E has an excellent computer based training facility with access to Internet.

CSI congratulates Lt. Gen D B Singh, AVSM, commandant of M C E M E, on the conferment of the Award.

IT Advisory Committee, Gujarat State

Mr. Bipin Mehta, Chairman, Division VIII (Micro Computers) has been nominated by CSI to the IT Advisory Committee of Gujarat which is headed by Mr. Keshubhai Patel, Honorable Chief Minister. The committee will advise the state government for speedy growth of IT in government administration as well in Gujarat State and on introduction / implementation of major IT projects.

एनआरएसए के वैज्ञानिक पुरस्कृत

हैदराबाद, 1 फरवरी - (मिलाप ब्यूरो)

नेशनल रीमोट सेंसिंग एजेन्सी, (एनआरएसए) के वैज्ञानिक वी. के. सिंह को गत दिनों चेन्नई में आयोजित 86वें इंडियन साइंस कालेज में कम्प्यूटर साइंस सेक्शन में आईएससीए के

कीमती युवा वैज्ञानिक पुरस्कार से पुरस्कृत किया गया।

आज यहां जारी एक प्रेस विज्ञप्ति में

उक्ताशय की जानकारी एनआरएसए के निदेशक डी.पी. राव ने दी। विज्ञप्ति में उन्होंने कहा कि वी. के. सिंह का मुख्य योगदान साफ्टवेयर इंजीनियरिंग तथा इमेज कम्प्रेसन में है।
